Professional Bartenders

## OUR BARTENDERS

---

*Please choose from the following bartender skill levels to complete your Libaration experiences. All of our bartenders are impeccably presented, polite, courteous – and will always endeavor to provide you with an immaculately prepared bar and delicious cocktails.*

*Libaration bartenders have worked all over the UK for weddings, parties, celebrity events, and corporate functions. We work ofr top event management companies, top venues, hotels and for private clients. Call today and discover why Libaration is the premier bar service provider.*

# COCKTAIL MIXOLOGISTS

---

*Cocktail Mixologists are our entry level bartender. They are all extremely skilled at mixing our delicious cocktails, managing the bar, and interacting with your guests. Their role is to politely and efficiently mix your drinks, and serve them skillfully and attentively.*

*They will prep the bar when they arrive, lay out your glassware and set-up all the bar backs and equipment they will require for service. Once set-up, they will begin preparing garnishes and mixes in readiness for your guests arrival at the bar.*

*Our aim is to give you a first class service, and our bartenders are the key to that end. They are trained to be amenable to specific requests and will always go the extra mile to deliver a first class event.*

# COCKTAIL MIXOLOGISTS CHARGES

---

*Libaration Cocktail Mixologists work for a minimum of 5 hours, which includes travelling time, to and from your event.*

*All Libaration Cocktail Mixologists wear black shirts, black ties and black trousers, unless otherwise requested.*

*The minimum charge for our Cocktail Mixologists is £150. Additional hours are £30 for each hour they work after this period has elapsed. Hours are billed in half hourly segments, and are rounded up. Time sheets will be sent to the customer after the event, and any additional hours will be invoiced afterwards if applicable.*

*If the Cocktail Mixologist works for longer than 6 hours we request that a meal is provided and that a 15 minute break is included (which can be taken at the end of the shift.)*

# FLAIR BARTENDER

---

*Flair Bartenders are our premium bartenders. They are not only expertly skilled at creating our sensational cocktails, managing the bar, and interacting with your guests, they are also highly skilled flair bartenders who can juggle a variety of bottles and incorporate this skill within the preparation of your cocktails. Their role is to not only politely and efficiently mix your drinks, but to dazzle your guests with their elaborate service.*

*They will prep the bar when they arrive, lay out your glassware and set-up all the bar backs and equipment they will require for service. Once set-up, they will begin preparing garnishes and mixes in readiness for your guests arrival at the bar. They may also clear a space and lay down some specialist floor so that they can perform effectively.*
